Dear Chief Johnson:

The Cape Fear River Trail Park is located on the Cape Fear River in Erwin, is owned by Harnett County, and offers 16 acres of walking trails, overlooks, and canoe access. Upon the park's creation in 2008, the County and Town adopted Park Rules to ensure safe and enjoyable use of the park. Attached is a copy of the Cape Fear River Trail Park Rules.

The County of Harnett requests assistance from the Town of Erwin Police Department to enforce the jointly adopted Park Rules as needed. Requested enforcement would include writing tickets and/or arrest of those who are violating law and town ordinance as well as trespassing individuals that are repeatedly violating Park Rules or the park's hours of operation.

Any and all help in these situations is greatly appreciated.

Sincerely,

Brent Trout  
County Manager  
Harnett County
